

The scale of workers with impaired skin condition is underestimated and presents an **INVISIBLE THREAT TO HEALTH, SAFETY AND EFFICIENCY** that largely goes unreported in the workplace.

10-15%

of industrial workers suffer from dermatitis¹

40%

of industrial workers will suffer a skin issue at some point in their working life²

on average, each reported case of dermatitis costs an employer

£6,000³

SC Johnson Professional offer a **Unique Programme** to help your workplace make skin health a **priority**
