

# A FOAM FOR ALL ENVIRONMENTS

At SC Johnson Professional® we are proud **to have a foam product for every facility, so everyone can access the benefits our products provide.** From our PowerFoam products for the Industrial market to our **Cutan® Healthcare range** we have you covered. Our **Washroom foam soaps range** from perfume-free to our luxurious, signature fragrances which have been designed by experts and proven to appeal to a broad range of users.

Our unique foam products enable us to be the leading hand hygiene supplier to the NHS.

Our foam products are kinder to the skin.

Easy to use formats

- the foam format prevents drips or spills
- available in a variety of formats to suit the relevant usage requirements

## THE SUSTAINABILITY BENEFITS OF FOAM SOAP

**30%**

product saving per hand wash vs. lotion soaps (0.7 ml vs. 1 ml)

**43%**

more washes per 1L cartridge equivalent vs. lotion soap (1000 washes vs. 1429 washes)

**1429**

WASHES per 1L refill 30% more than traditional lotion soaps

**2857**

WASHES per 2L refill
