

# Project Saturn

BTG Advisory has been instructed to advise on the sale of a distributor and retailer of specialist and general office machines.

## The Opportunity

- Project Saturn provides the opportunity to acquire a profitable office machine distribution and retail business with significant growth opportunities.
- The Business acts as sole UK distributor for two high-quality office machinery manufacturers.
- These arrangements provide the Business with a wide range of products, encompassing both specialist and general office machines.
- The specialist office machines provide the Business with a niche and prestigious customer base, into which it has significant supply experience and contacts.
- The general office machines are sold via traditional office supplies businesses. In particular, this sector has significant opportunities for further growth.
- In addition, the Company has its own web presence, providing direct sales to customers.
- Turnover is currently c£1.5m and achieves 40% gross profit margin.
- Based in the South East of England, but operating nationally, the Business could be easily relocated if required.

## For Further Information

Further information is available upon completion and return of a Non-Disclosure Agreement (NDA), which is available on request.
