Swarfega®, born in 1947 was the first hand cleaner of its type in the world. Since those early days, Swarfega® has grown from a brand seen in automotive shops to a household name, loved by tradespeople everywhere.

Now part of the SC Johnson Professional family, the Swarfega® range has been extended to offer a complete skin care solution.

A UNIQUE, COMPLETE, EASY TO UNDERSTAND SKIN CARE SOLUTION

An all day, every day complete skin care solution designed to meet the trades people needs. Reliable, powerful hand cleaners and creams that have been trusted for generations to clean and protect the hands, from start to end of the working day.

READY TO WORK STEP 1: PROTECT

Swarfega® Protect helps protect the skin against contact with potentially harmful contaminants and makes skin easier to clean. For use before each work period.

Swarfega® PROTECT

Fragrance-free, protects hands from moderate exposure to oil and water-based substances, grease, lubricants and detergents.

AT WORK STEP 2: CLEANSE

Washing your hands regularly with any of the range of Swarfega® hand cleaners prevents the build-up of soiling and reduces contact time with contaminants.

AFTER WORK STEP 3: RESTORE

Swarfega® Restore helps keep the skin supple and healthy, restoring its moisture balance. Use at the end of each work period.

Swarfega® RESTORE

Skin hypoallergenic, fragrance-free and dye-free for regular use to help keep hands in great condition.

Swarfega® LIGHT

With skin moisturiser and light fragrance for gentle cleaning of light duty oils, greases and general grime.

Swarfega® ORANGE
